HORECA SIGNAC 80 / 90

Com modelos versáteis de 800mm e 900mm de profundidade, esta linha de balcões alia funcionalidade e design contemporâneo. Incorporando uma estação de trabalho e um tampo de atendimento ao cliente, oferece conservação eficiente de alimentos e bebidas. Compatível com outras linhas de produtos e adaptável ao serviço de bar, permite a integração de equipamentos essenciais, tornando-se a escolha ideal para estabelecimentos modernos e dinâmicos.

With versatile 800mm and 900mm deep models, this line of counters combines functionality and contemporary design. Incorporating a workstation and a customer service top, it offers efficient preservation of food and beverages. Compatible with other product lines and adaptable to bar service, it allows the integration of essential equipment, making it the ideal choice for modern and dynamic establishments.

Avec des modèles polyvalents de 800 mm et 900 mm de profondeur, cette gamme de comptoirs allie fonctionnalité et design contemporain. Intégrant un poste de travail et un plateau de service client, il offre une conservation efficace des aliments et des boissons. Compatible avec d'autres gammes de produits et adaptable au service de bar, il permet l'intégration d'équipements essentiels, ce qui en fait le choix idéal pour les établissements modernes et dynamiques.
