TAPIES 80

Tapies 80 exalta o serviço de catering com soluções funcionais e versáteis. Uma extensa gama de equipamentos refrigerados, aquecidos e neutros, especificamente desenvolvidos para uma exposição alimentar nas melhores condições de conservação. Os planos de exposição e serviço dimensionados para uma melhor ergonomia no serviço e utilização. A iluminação intensa e bem orientada permite realçar as qualidades visuais dos alimentos. Os materiais utilizados no fabrico dos equipamentos garantem qualidade alimentar e maior durabilidade.

Tapies 80 exalts the catering service with functional and versatile solutions. A wide range of refrigerated, heated and neutral equipment, specifically developed for food exposure in the best conditions of conservation. The exhibition and service plans designed for better ergonomics in service and use. Intense and well-oriented lighting enhances the visual qualities of food. The materials used in the manufacture of the equipment guarantee food quality and greater durability.

Tapies 80 exalte le service de catering avec des solutions fonctionnelles et polyvalentes. Une large gamme d'équipements réfrigérés, chauffés et neutres, spécifiquement développés pour l'exposition alimentaire dans les meilleures conditions de conservation. Les plans d'exposition et de service conçus pour une meilleure ergonomie de service et d'utilisation. Un éclairage intense et bien orienté améliore les qualités visuelles des aliments. Les matériaux utilisés dans la fabrication des équipements garantissent une qualité alimentaire et une plus grande durabilité.
